Chec	klist of the birds of the Chiang	g Dao area		
L&R	Common name	Scientific name	Thai name	Remarks
15	Grey Heron	Ardea cinerea	นกกระสานวล	Handful of records from rice paddies
17	Chinese Pond Heron	Ardeola bacchus	นกยางกรอกพันธุ์จีน	Common
19	Eastern Cattle Egret	Bubulcus coromandus	นกยางควาย	Relatively common rice paddies, following buffalo and cattle
22	Great Egret	Casmerodius albus	นกยางโทนใหญ่	Small numbers rice paddies
23	Intermediate Egret	Mesophoyx intermedia	นกยางโทนน้อย	Occaisional rice paddies
24	Little Egret	Egretta garzetta	นกยางเปีย	Small numbers rice paddies
25	Little Heron	Butorides striata	นกยางเขียว	Regular along stream behind Malee's and checkpoint road
27	Black-crowned Night Heron	Nycticorax nycticorax	นกแขวก	At least one record from rice paddies
29	Yellow Bittern	Ixobrychus sinensis	นกยางไฟหัวดำ	Occaisional records from rice paddies and hot spring
31	Cinnamon Bittern	Ixobrychus cinnamomeus	นกยางไฟธรรมดา	Odd records from rice paddies and hot springs
67	Lesser Whistling-duck	Dendrocygna javanica	เป็ดแดง	Small flock usually on lake from bridge along by-pass towards Fang
69	Black-shouldered Kite	Elanus caeruleus	เหยี่ยวขาว	Fairly common resident rice paddies
70	Black Kite	Milvus migrans	เหยี่ยวดำ	Scarce passage migrant, most records Oct/Nov
73	Black Baza	Aviceda leuphotes	เหยี่ยวกิ้งก่าสีดำ	Probably present all year in small numbers, commonest Oct/Nov when migrating flocks south
13	DIACK DAZA	Aviceda leuprioles	เทยอาเกน เพพ เ	and again from late Feb when birds heading back north
74	Crested Goshawk	Accinitor trivirgatus	เหยี่ยวนกเขาหงอน	Relatively common around temple, distinctive display, qivering wings and fluffed out white
74	Crested Gosnawk	Accipiter trivirgatus	เทยยานกเขาทงอน	undertail coverts
75	Northern Goshawk	Accipiter gentilis	เหยี่ยวนกเขาท้องขาว	Odd records from DYK and onece rice paddies
76	Eurasian Sparrowhawk	Accipiter nisus	เหยี่ยวนกกระจอกใหญ่	Odd records
77	Chinese Sparrowhawk	Accipiter soloensis	เหยี่ยวนกเขาพันธุ์จีน	Probably mainly a passage migrant, with large flocks south Sept/Oct
78	Shikra	Accipiter badius	เหยี่ยวนกเขาชิครา	Common resident, males displaying from mid Feb when birds common
79	Besra	Accipiter virgatus	เหยี่ยวนกกระจอกเล็ก	Uncommon, most records from forest around temple
80	Japanese Sparrowhawk	Accipiter gularis	เหยี่ยวนกเขาพันธุ์ญี่ปุ่น	?
81	Oriental Honey-buzzard	Pernis ptilorhynchus	เหยี่ยวผึ้ง	Resident, some southerly passage autumn
82	Common Buzzard	Buteo buteo	เหยี่ยวทะเลทราย	Uncommon winter visitor
83	Rufous-winged Buzzard	Butastur liventer	เหยี่ยวปีกแดง	Regularly recorded from drier forest/scrub in area, best area scrub around paddie edge
84	Grey-faced Buzzard	Butastur indicus	เหยี่ยวหน้าเทา	Commonest Oct when flocks moving south, uncommon winter
90	Crested Serpent Eagle	Spilornis cheela	เหยี่ยวรุ้ง	Relatively common breeding resident, easy to see from late Jan-march when vocal birds
90	Crested Serpent Lagie	Spilottiis Crieeia	เพอการ์ก	dislaying
91	Mountain Hawk Eagle	Nisaetus nipalensis	เหยี่ยวภูเขา	Most records from DYK
	Changeable Hawk Eagle	Nisaetus limnaeetus	เหยี่ยวต่างสี	Regularly recorded over forest around temple, also noted DYK
95	Rufous-bellied Eagle	Lophotriorchis kienerii	เหยี่ยวท้องแดง	Several records from DYK but scarce
		Aquila pennata	นกอินทรีเล็ก	Recorded at least once over forest around temple
98	Black Eagle	Lophaetus malayensis	นกอินทรีดำ	Scarce most records DYK
99	Greater Spotted Eagle	Lophaetus clanga	นกอินทรีปีกลาย	Handful of records all Oct, when migrants south
106	Eastern Marsh Harrier	Circus spilonotus	เหยี่ยวทุ่งพันธุ์เอเซียตะวั	Occaisonally recorded rice paddies
	Pied Harrier	Circus melanoleucos	เหยี่ยวด่างดำขาว	All records rice paddies, where perhaps commonest of the two harriers
109	White-rumped Falcon	Polihierax insignis	เหยี่ยวเล็กตะโพกขาว	One record from hot springs
	Collared Falconet	Microhierax caerulescens	เหยี่ยวแมลงปอขาแดง	Handful of records lower slopes of mountain and forest edge around temple
112	Common Kestrel	Falco tinnunculus	เหยี่ยวเคสเตรล	Winter visitor in small numbers, regular rice paddies
	Amur Falcon	Falco amurensis	เหยี่ยวตีนแดง	All records in autumn, when flocks south during Oct
114	Eurasian Hobby	Falco subbuteo	เหยี่ยวฮอบบี้ยุโรป	Recorded at least once chasing hirundines over Chaing Dao

115	Oriental Hobby	Falco severus	เหยี่ยวฮอบบี้	Recorded infreqently, has bred in tall trees between Malee's and temple, also recorded DYK
116	Peregrine Falcon	Falco peregrinus	เหยี่ยวเพเรกริน	Possibly breeds in area, most regularly recorded autumn
119	Silver Pheasant	Lophura nycthemera	ไก่ฟ้าหลังขาว	Uncommon with records from both DYK and forest around temple
122	Red Junglefowl	Gallus gallus	ไก่ป่า	Fairly common in forest around temple, with bamboo along naturetrail perhaps best area
		Syrmaticus humiae	ไก่ฟ้าหางลายขวาง	Uncommon resident, all records DYK where best areas firebreak trail and along entrance track at dawn
128		,	นกกระทาดงคอสีแสด	Odd records from higher parts of mountain
129		Arborophila brunneopectus	ะนกกระทาดงอกสีน้ำตาล	Few records, most from DYK
131	Scaly-breasted Partridge	Arborophila chloropus	นกกระทาดงแข้งเขียว	Common around temple, best looked for along gully trail and nature trail
136	Mountain Bamboo Partridge	Bambusicola fytchii	นกกระทาป่าไผ่	Regularly recorded, best looked for around pond and stream DYK where birds often drinking/bathing
137	Chinese Francolin	Francolinus pintadeanus	นกกระทาทุ่ง	Not uncommon in areas of scrub in the area, try first field on right after cave village when heading back into Chiang Dao, also recorded DYK
			นกคุ่มญี่ปุ่น	One record from rice paddies
	-	Turnix tanki	นกคุ่มอืดใหญ่	Small number of records from rice paddies and scrub/forest edge
143	Barred Buttonquail	Turnix suscitator	นกคุ่มอกลาย	Commonest of the buttonquails, regularly noted paddies and forest edge
146	Red-legged Crake	Rallina fasciata	นกอัญชันป่าขาแดง	Wet season visitor, several records from gully
152	Black-tailed Crake	Porzana bicolor	นกอัญชันหางดำ	Rare resident, handful of records from pond and stream at DYK
154	White-breasted Waterhen	Amaurornis phoenicurus	นกกวัก	Records from stream behind Malee's and Rice Paddies
155	Watercock	Gallicrex cinerea	นกอีลุ้ม	Odd records from rice paddies where breeds, perhaps wet season visitor
156	Common Moorhen	Gallinula chloropus	นกอีล้ำ	Small numbers on ponds, streams and wet paddies in area
160		Hydrophasianus chirurgus	นกอีแจว	Single record from hot springs
163	Grey-headed Lapwing	Vanellus cinereus	นกกระแตหัวเทา	Fairly common winter visitor rice paddies, best look for on wet paddies
	Red-wattled Lapwing	Vanellus indicus	นกกระแตแต้แว้ด	Surprsingly uncommon, best looked for on arable land in area
	Little Ringed Plover	Charadrius dubius	นกหัวโตเล็กขาเหลือง	Noted in small number rice paddies
	Eurasian Curlew	Numenius arquata	นกอีก๋อยใหญ่	Recorded at least once rice paddies
187	Green Sandpiper		นกชายเลนเขี้ยว	Occaisional records rice paddies
	Wood Sandpiper	·	นกชายเลนน้ำจืด	Small numbers in winter rice paddies
			นกเด้าดิน	Small numbers in wintert rice paddies
	Eurasian Woodcock		นกปากซ่อมดง	Odd winter records from DYK
208	Pintail Snipe	Gallinago stenura	นกปากซ่อมหางเข็ม	Regular recorded rice paddies
	Common Snipe		นกปากซ่อมหางพัด	Regular recorded rice paddies
	Greater Painted-snipe		นกโป่งวิด	Odd records rice paddies
	Pin-tailed Pigeon	-	นกเปล้าหางเข็ม	Not uncommon around temple, especially late Feb/March when birds displaying and nest building
247	Yellow-vented Pigeon	Treron seimundi	นกเปล้าหางเข็มหัวปีกแด	
	Wedge-tailed Pigeon	Treron sphenura	นกเปล้าหางพลั่ว	Regular at temple and DYK
	Thick-billed Pigeon	•	นกเขาเปล้า	Common in fruiting trees around temple and DYK
			นกมูม	Heard and seen most days at temple and DYK, listen out for distinctive booming call
	Rock Pigeon		นกพิราบป่า	Feral pigeon common Chiang Dao
	Speckled Wood Pigeon		นกพิราบป่าอกลาย	Records from higher areas
	Ashy Wood Pigeon	<u> </u>	นกพิราบเขาสูง	Records from higher areas
	,		นกเขาลายใหญ่	Odd records from rice paddies

267	Little Cuckoo Dove	Macropygia ruficeps	นกเขาลายเล็ก	Odd records from DYK
	Oriental Turtle Dove	Streptopelia orientalis	นกเขาพม่า	Relatively common DYK and highest point of Checkpoint road
	Red Collared Dove	Streptopelia tranquebarica		Small numbers occaisionally encounted rice paddies
270	Spotted Dove	Streptopelia chinensis	นกเขาใหญ่, นกเขาหลวง	
	Zebra Dove	Geopelia striata	นกเขาชวา	Small numbers Chiang Dao, increasing
	Emerald Dove	Chalcophaps indica	นกเขาเขียว	Regular recorded along gully and fence trail, also on track to DYK
	Red-breasted Parakeet	Psittacula alexandri	นกแขกเต้า	?
276	Blossom-headed Parakeet	Psittacula roseata	นกแก้วหัวแพร	?
277	Grey-headed Parakeet	Psittacula finschii	นกกะลิง	scarce, best area DYK, also recorded once at temple
	Vernal Hanging Parrot	Loriculus vernalis	นกหกเล็กปากแดง	Very few records from temple and DYK
	Chestnut-winged Cuckoo	Clamator coromandus	นกคัคคูหงอน	Uncommon wet season visitor
282	Large Hawk Cuckoo	Hierococcyx sparverioides	นกคัคคู่เหยี่ยวใหญ่	Hard to see, more often heard than seen, DYK best area where not uncommon
	Hodgson's Hawk Cuckoo	Hierococcyx nisicolor	นกคัคคู่เหยี่ยวอกแดง	Probably a scarce resident, best areas temple and checkpoint road
	Indian Cuckoo	Cuculus micropterus	นกคัคคูพันธุ์อินเดีย	Resident, listen out for singing birds from tall tree around garden, 'one more bottle'
288	Himalayan Cuckoo	Cuculus saturatus	นกคัคคู่พันธุ์หิมาลัย	Returning birds from early March, tall trees in area probably best location
290	Banded Bay Cuckoo	Cacomantis sonneratii	นกคัดคูลาย	Very common resident, more often heard then seen
291	Plaintive Cuckoo	Cacomantis merulinus	นกอีวาบตั๊กแตน	Common, more often heard than seen
202	Asian Emerald Custon	Characacacacacacacacacacacacacacacacacaca	ນວຣັດວນເວລ	Best looked for calling from tall trees around garden and along checkpoint road, few winter
293	Asian Emerald Cuckoo	Chrysococcyx maculatus	นกคัคคูมรกต	records, more common from late Feb and March
20.4	Violet Cuelcee	Charles and a venther by the	0.00 dala 0	Common, frequently seen flying between tall trees around garden and along checkpoint road,
294	Violet Cuckoo	Chrysococcyx xanthorhyno	นกษายู่สมเง	listen for disnctive chi-vit call
296	Drongo Cuckoo	Surniculus lugubris	นกคัคคูแซงแซว	Common resident, but unless calling difficult to observe, temple best area with birds calling
207	Asian Koel	Fudunamus sasianasas	นกกาเหว่า	from late Feb Common scrub around rice paddies and in town
	Green-billed Malkoha	Eudynamys scolopacea	นกกังรอกใหญ่	
		Rhopodytes tristis	•	Fairly common
	Greater Coucal	Centropus sinensis	นกกระปูดใหญ่	Very common in scrub around area, listen out for distinctive call morning and evening
	Lesser Coucal	Centropus bengalensis	นกกระปูดเล็ก	Scarce, best area rice paddies
	Barn Owl	Tyto alba	นกแสก	Recorded in town
	Oriental Bay Owl	Phodilus badius	นกแสกแดง	Not uncommon around temple
	Brown Boobook	Ninox scutulata	นกเค้าเหยี่ยว	Present around temple and along checkpoint road, check out telegraph poles at night
	Mountain Scops Owl	Otus spilocephalus	นกเค้าภูเขา	Heard calling most evenings from garden, best looked for around temple and DYK
	Oriental Scops Owl	Otus sunia	นกเค้าหูยาวเล็ก	Scarce odd records from forest around temple
	Collared Scops Owl	Otus lettia	นกฮูก, นกเค้ากู่	Heard calling most nights, best looked for around temple
315	Collared Owlet	Glaucidium brodiei	นกเค้าแคระ	Common, can be heard calling from forest throughout the day
316	Asian Barred Owlet	Glaucidium cuculoides	นกเค้าโมง, นกเค้าแมว	Very common around resort and in most areas, listen out for distinctive call dawn and dusk, often flushed from day time roosts
317	Spotted Owlet	Athene brama	นกเค้าจุด	?
		Bubo nipalensis	นกเค้าใหญ่พันธุ์เนปาล	Regularly heard calling from Malee's best looked for roosting in tall trees between Malee's and wildlife HQ
321	Brown Fish Owl	Ketupa zeylonensis	นกทึดทือพันธุ์เหนือ	?
	Brown Wood Owl	Strix leptogrammica	นกเค้าป่าสีน้ำตาล	Odd records from temple and checkpoint road
	Hodgson's Frogmouth	Batrachostomus hodgsoni		Scarce all records DYK
	Javan Frogmouth	Batrachostomus javensis	นกปากกบพันธุ์ชวา	Common around temple and adjacent areas
	Grey Nightjar	Caprimulgus jotaka	'	Scarce odd records from forest edge around temple
332	Grey Nightjar	Caprimulgus jotaka	นกตบยุงภูเขา	Scarce odd records from forest edge around temple

222				The commonest nightjar, frequently seen on track up to DYK just before dawn and easy to see
333	Large-tailed Nightjar	Caprimulgus macrurus	นกตบยุงหางยาว	and hear around Malee's from late Feb
334	Indian Nightjar	Caprimulgus asiaticus	นกตบยุงเล็ก	?
335	Savanna Nightjar	Caprimulgus affinis	นกตบยุงป่าโคก	?
340	Orange-breasted Trogon	Harpactes oreskios	นกขุนแผนอกสีส้ม	Often recorded from forest around temple
341	Red-headed Trogon	Harpactes erythrocephalus	นกขุนแผนหัวแดง	Probabaly more often reported than previous species, regularly recorded in forest around temple
345	Common Kingfisher	Alcedo atthis	นกกะเต็นน้อยธรรมดา	Common rice paddies and any streams in area
346	Blue-eared Kingfisher	Alcedo meninting	นกกะเต็นน้อยหลังสีน้ำเงิ	Odd records from forest streams in area, perhaps stream at checkpoint best area
348	Oriental Dwarf Kingfisher	Ceyx erithaca	นกกะเต็นน้อยหลังดำ	Odd records from temple area, most from gully, may be wet season visitor only
349	Banded Kingfisher	Lacedo pulchella	นกกะเต็นลาย	Occaisional records from jungle around temple
352	Ruddy Kingfisher	Halcyon coromanda	นกกะเต็นแดง	Rare
353	White-throated Kingfisher	Halcyon smyrnensis	นกกะเต็นอกขาว	Common, open country bird, with returning migrants forest edge around temple from late Feb
354	Black-capped Kingfisher	Halcyon pileata	นกกะเต็นหัวดำ	Odd records from rice paddies
357	Chestnut headed Bee-eater	Merops leschenaulti	นกจาบคาหัวสีส้ม	Relatively common, but few between mid Nov and early Feb, after when good numbers reappear
358	Blue-tailed Bee-eater	Merops philippinus	นกจาบคาหัวเขียว	Probably only a wet season visitor/passage migrant, southerly passage regualarly noted during Oct
359	Green Bee-eater	Merops orientalis	นกจาบคาเล็ก	Common open country bird, especially in drier areas around paddies
360	Blue-throated Bee-eater	Merops viridis	นกจาบคาคอสีฟ้า	Wet season visitor
362	Blue-bearded Bee-eater	Nyctyornis athertoni	นกจาบคาเคราน้ำเงิน	Records from all forested areas, pair usually along road between Malee's and temple
363	Indian Roller	Coracias benghalensis	นกตะขาบทุ่ง	Relatively common open country bird
364	Dollarbird	Eurystomus orientalis	นกตะขาบดง	Infrequently reported from DYK
365	Common Hoopoe	Upupa epops	นกกะรางหัวขวาน	Most records from pine forest around DYK
374	Oriental Pied Hornbill	Anthracoceros albirostris	นกแก๊ก, นกแกง	Only Hornbill in area, best looked for early morning/evening at temple/checkpoint
378	Great Barbet	Megalaima virens	นกตั้งล้อ	Common all areas, can even be heard from the garden, check flowering and fruting tree for best views
379	Lineated Barbet	Megalaima lineata	นกโพระดกธรรมดา	Resident, best area around cave
384	Golden-throated Barbet	Megalaima franklinii	นกโพระดกคางเหลือง	Only records from DYK or higher
385	Blue-throated Barbet	Megalaima asiatica	นกโพระดกคอสีฟ้า	Very common all areas, most frequently observered barbet, often sings from tall trees around garden
388	Blue-eared Barbet	Megalaima australis	นกโพระดกหน้าผากดำ	Not uncommon around temple and checkpoint road
389	Coppersmith Barbet	Megalaima haemacephala	นกตีทอง	Regularly heard from garden
392		Jynx torquilla	นกคอพัน	Occaisional records from forest edge and rice paddies
393	Speckled Piculet	Picumnus innominatus	นกหัวขวานจิ๋วทู้องลาย	Regularly recorded temple and DYK often in mixed species feeding parties
394	White-browed Piculet	Sasia ochracea	นกหัวขวานจิ๋วคิ้วขาว	Records from all areas, especially likes bamboo and secondary growth
397	Greater Flameback	Chrysocolaptes lucidus	นกหัวขวานสี่นิ้วหลังทอง	Probably the commonest of the flamebacks, checkpoint road best area
398	Common Flameback	Dinopium javanense	นกหัวขวานสามนิ้วหลังท	Records from temple and checkpoint road
401	Bamboo Woodpecker	Gecinulus viridis	นกหัวขวานป่าไผ่	Regularly reported from forest around temple, bamboo at summit of naturetrail and along link trail best area
402	Laced Woodpecker	Picus vittatus	นกหัวขวานเขียวป่าไผ่	?
	Streak-breasted Woodpecke	Picus viridanus	นกหัวขวานเขียวคอเขียว	?
	Streak-throated Woodpecke		นกหัวขวานเขียวท้องลาย	

405	Grey-headed Woodpecker	Picus canus	นกหัวขวานเขียวหัวดำ	Uncommon, records from both DYK, Temple and checkpoint road
		Picus erythropygius		At least one record from area
	Greater Yellownape			Regular records from temple and DYK
	Lesser Yellownape	Picus chlorolophus		Not uncommon DYK also recorded temple
	•	•		Recorded DYK and temple not common, listen for distinctive drumming, which gradually
412	Rufous Woodpecker	Micropternus brachyurus	นกหัวขวานสีตาล	slows down to a halt
414	Bay Woodpecker	Blythipicus pyrrhotis	นกหัวขวานแดงหลังลาย	Common all areas, especially around temple where more often heard then seen
		Mulleripicus pulverulentus	นกหัวขวานใหญ่สีเทา	Recorded several times along checkpoint road
		Dryocopus javensis	นกหัวขวานใหญ่สีดำ	Rare, handful of records from checkpoint road
422	Crimson-breasted Woodpec		นกหัวขวานอกแดง	Reported once from higher areas of mountain
423	Rufous-bellied Woodpecker	Dendrocopos hyperythrus	นกหัวขวานด่างท้องน้ำตา	Rare resident/wanderer, with handful of records from DYK
424	Stripe-breasted Woodpecker	Dendrocopos atratus	นกหัวขวานด่างหัวแดงอย	Fairly common higher altitudes especially DYK
427	Grey-capped Woodpecker	Dendrocopos canicapillus	นกหัวขวานด่างแคระ	Fairly common DYK, but also regularly reported from temple area, has nested in garden
428	Dusky Broadbill	Corydon sumatranus	นกพญาปากกว้างสีดำ	At least two records from forest along checkpoint road
430	Banded Broadbill	Eurylaimus javanicus	นกพญาปากกว้างลายเหล	Recorded once from forest at DYK
432	Silver-breasted Broadbill	Serilophus lunatus	นกพญาปากกว้างอกสีเงิา	Regularly recorded from Temple, DYK and checkpoint road
433	Long-tailed Broadbill	Psarisomus dalhousiae	นกพญาปากกว้างหางยาว	Frequently reported with records from temple area, DYK and checkpoint road
435	Rusty-naped Pitta	Pitta oatesi	นกแต้วแล้วใหญ่หัวสีน้ำต	Scarce resident, records from temple and DYK, best areas start of naturetrail and gully
438	Blue-winged Pitta	Pitta moluccensis	นกแต้วแล้วธรรมดา	Wet season visitor
441	Hooded Pitta	Pitta sordida	นกแต้วแล้วอกเขียว	Recorded at least once during wet season on naturetrail, may be breeding visitor
443	Blue Pitta	Pitta cyanea	นกแต้วแล้วสีน้ำเงิน	Not uncommon, records from temple, track up to DYK and naturetrail
449	Himalayan Swiftlet	Aerodramus brevirostris	นกแอ่นพันธุ์หิมาลัย	Very common, flocks of several hundred can be seen feeding high over garden, especially in the evening
451	Asian Palm Swift	Cypsiurus balasiensis	นกแอ่นตาล	Common in Chiang Dao town
453	Dark-rumped Swift	Apus acuticauda	นกแอ่นท้องลาย	Rare, at least two records from DYK/Summit
454	Pacific Swift	Apus pacificus	นกแอ่นตะโพกขาวหางแ	Regular over garden and DYK
455	House Swift	Apus nipalensis	นกแอ่นบ้าน	Common, regularly noted feeding over garden and forest, check out the nests at start of temple steps
458	Brown-backed Needletail	Hirundapus giganteus	นกแอ่นใหญ่หัวตาขาว	Present most days high over garden or nearby hills
	Crested Treeswift	Hemiprocne coronata	นกแอ่นฟ้าหงอน	Common over garden, especially in evenings
	Sand Martin	Riparia riparia	นกนางแอ่นทรายสร้อยคล	
		•	~	Handful of records, most from along checkpoint road, especially in evenings with other
	, ,	Ptyonoprocne concolor	นกนางแอ่นผาสีคลำ	hirundines and swifts
	Barn Swallow	Hirundo rustica	นกนางแอ่นบ้าน	Common winter visitor
	Wire-tailed Swallow	Hirundo smithii	นกนางแอ่นหางลวด	Fairly common rice paddies, also nests under bridges along by-pass
	Red-rumped Swallow	Cecropis daurica	นกนางแอ่นตะโพกแดง	Probably fairly common, but difficult to distingish from next species unless good views
	Striated Swallow	Cecropis striolata	นกนางแอ่นลาย	Probably not uncommon, but difficult to distingish from previous species
		Delichon urbicum	1	One record rice paddies
	Asian House Martin	Delichon dasypus		Often recorded feeding higher over garden and other areas
		Mirafra javanica	นกจาบฝนเสียงใส	Recorded at least once from agricultural land in area
		Mirafra erythrocephala	นกจาบฝนปีกแดง	One or two records from rice paddies and arable land in area
	•	Alauda gulgula	นกจาบฝนเสียงสวรรค์	Fairly common rice paddies
	Olive-backed Pipit	Anthus hodgsoni	นกเด้าดินสวน	Common
477	Richard's Pipit	Anthus richardi	นกเด้าดินทุ่งใหญ่	Fairly common winter visitor rice paddies

477	Paddyfield Pipit	Anthus rufulus	นกเด้าดินทุ่งเล็ก	Smal numbers usually present rice paddies
478	Red-throated Pipit	Anthus cervinus	นกเด้าดินอกแดง	fairly common during winter on wet paddies
479	Rosy Pipit	Anthus roseatus	นกเด้าดินอกสีชมพู	At least one record rice paddies
480	White Wagtail	Motacilla alba	นกอุ้มบาตร	Common Rice paddies
481	Grey Wagtail	Motacilla cinerea	นกเด้าลมหลังเทา	Common on streams around area
		Motacilla flava	นกเด้าลมเหลือง	Small numbers occaisionally reported from rice paddies
	Citrine Wagtail	Motacilla citreola	นกเด้าลมหัวเหลือง	Handful of records from rice paddies
	Ü	Dendronanthus indicus	นกเด้าลมดง	Odd records during migration periods
	Bar-winged Flycatcher-shrike	Hemipus picatus	นกเขนน้อยปีกแถบขาว	Common in small parties most forested areas
	Large Woodshrike	Tephrodornis gularis	นกเฉี่ยวดงหางสีน้ำตาล	Recorded from temple area and DYK where frequently recorded in pine forest
489	Common Woodshrike	Tephrodornis pondicerianu	นกเฉี่ยวดงธรรมดา	Very few records from forest at lower alititudes
490	Large Cuckooshrike	Coracina macei	นกขึ้เถ้าใหญ่	Most records from DYK where not uncommon
492	Indochinese Cuckooshrike	Coracina polioptera	นกเฉี่ยวบุ้งกลาง	Regular around temple
493	Black-winged Cuckooshrike	Coracina melaschistos	นกเฉี่ยวบุ้งใหญ่	Often reported from around temple and DYK
495	Ashy Minivet	Pericrocotus divaricatus	นกพญาไฟสีเทา	Most records from temple, where common Oct/Nov
496	Rosy Minivet	Pericrocotus roseus	นกพญาไฟสึกุหลาบ	Scarce lower slopes of mountain
496	Brown-rumped Minivet	Pericrocotus cantonensis	นกพญาไฟตะโพกสีน้ำตา	Uncommon, few records from temple
497	Small Minivet	Pericrocotus cinnamomeus	นกพญาไฟเล็ก	Small number of records from checkpoint road
499	Grey-chinned Minivet	Pericrocotus solaris	นกพญาไฟคอเทา	Common DYK and higher areas of forest road
500	Short-billed Minivet	Pericrocotus brevirostris	นกพญาไฟแม่สะเรียง	Uncommon DYK
501	Long-tailed Minivet	Pericrocotus ethologus	นกพญาไฟพันธุ์เหนือ	Fairly common DYK, also recorded from high areas of forest around temple and along checkpoint road
502	Scarlet Minivet	Pericrocotus speciosus	นกพญาไฟใหญ่	The commonest minivet, records from all areas
		Aegithina tiphia	นกขมิ้นน้อยธรรมดา	Common, all areas, often recorded in garden
		Aegithina lafresnayei	นกขมิ้นน้อยปีกสีเรียบ	Fairly common around temple, often in mixed species flocks
	Golden-fronted Leafbird	Chloropsis aurifrons	นกเขียวก้านตองหน้าผาก	
		Chloropsis cochinchinensis		
	<u> </u>	Chloropsis hardwickii		Commonest at DYK, but also recorded temple and checkpoint road
	Crested Finchbill	Spizixos canifrons	นกปรอดหงอนปากหนา	Very few records from DYK or higher, probably under recorded at higher elevations
		Pycnonotus striatus	นกปรอดลาย	Scarce a few records from DYK and higher
		Pycnonotus atriceps	นกปรอดทอง	Common, espeically in drier areas Feb/March
		Pycnonotus flaviventris	นกปรอดเหลืองหัวจุก	Common
		Pycnonotus jocosus	นกปรอดหัวโขน	Common
				Scarce handful of records from DYK and higher
		Pycnonotus aurigaster	นกปรอดหัวสีเขม่า	Very common
	·	Pycnonotus finlaysoni	นกปรอดคอลาย	Small numbers usually present temple/garden
		Pycnonotus flavescens	นกปรอดหัวตาขาว	Common DYK and higher parts of checkpoint road
		Pycnonotus blanfordi	นกปรอดสวน	Commonest bulbul in Thailand, common around garden and rice paddies
		Alophoixus pallidus	นกปรอดโอ่งเมืองเหนือ	Pairs or small groups common in forest in area
	Grey-eyed Bulbul	lole propinqua	นกปรอดเล็กตาขาว	Very common, especially around temple
	Mountain Bulbul	Ixos mcclellandii	นกปรอดภูเขา	All records from DYK or higher, where fairly common
	Ashy Bulbul	Hemixos flavala	นกปรอดสีขี้เถ้า	large flocks frequently recorded from forest around temple and DYK
	,	Hypsipetes leucocephalus		Common, often large flocks in winter
	White-headed Bulbul	Cerasophila thompsoni	นกปรอดเทาหัวขาว	Regularly recorded temple, DYK and checkpoint road, likes flowering trees
070	Willo Houded Duibai	CC. GOOPTING THOMPSON	NITE OF A PART O	regularly recorded temple, but the encomposition in the moveming trees

546	Black Drongo	Dicrurus macrocercus	นกแซงแซวหางปลา	Common only in rice paddies
	Ashy Drongo	Dicrurus leucophaeus	นกแซงแซวสีเทา	Common
	Crow-billed Drongo	Dicrurus annectans	นกแซงแซวปากกา	Probably uncommon passage migrant
	Bronzed Drongo	Dicrurus aeneus	นกแซงแซวเล็กเหลือบ	Common
	9		WILE TO SE TI SEMILEN MED TI	Not uncommon, records from temple, checkpoint road and DYK, often in mixed species
550	Lesser Racket-tailed Drongo	Dicrurus remifer	นกแซงแซวหางบ่วงเล็ก	feeding parties
551	Hair-crested Drongo	Dicrurus hottentottus	316118(3118(33) 3310191	Common, best looked for in flowering trees
	Greater Racket-tailed Drong		นกแซงแชวหงอนขน นกแซงแชวหางบ่วงใหญ่	
	-	Oriolus chinensis	<u>นกแขงแขวหางบวงเหญ</u> นกขมิ้นท้ายทอยดำ	
	Black-naped Oriole			Common winter, best looked for tall trees around temple
	Slender-billed Oriole	Oriolus tenuirostris	นกขมิ้นปากเรียว	Relatively common DYK during cool season, may breed here
	Black-hooded Oriole	Oriolus xanthornus	นกขมิ้นหัวดำใหญ่	Very common and vocal around temple and tall trees around garden
	Maroon Oriole	Oriolus traillii	นกขมิ้นแดง	Common DYK, also frequently recorded temple area and checkpoint road
	Asian Fairy Bluebird	Irena puella	นกเขียวคราม	Common especially around temple
561	Eurasian Jay	Garrulus glandarius	นกปีกลายสก๊อต	Records from all forested areas, commonest DYK
563	Green Magpie	Cissa chinensis	นกสาลิกาเขียว	Regular around temple, often associates with necklaced laughingthrush and white-hooded
	<u> </u>			Babblers, Naturetrail best area
	Blue Magpie		นกขุนแผน	Handful of records around temple and scrub in area
	Rufous Treepie	Dendrocitta vagabunda	นกกะลิงเขียด	Odd records from low down along checkpoint road
566	Grey Treepie	Dendrocitta formosae	นกกะลิงเขียดสีเทา	Common DYK, also recorded temple and checkpoint road
567	Racket-tailed Treepie	Crypsirina temia	นกกาแวน	Odd records from scrub around rice paddies
569	Large-billed Crow	•	อีกา	Regular around Chiang Dao town and cave entrance
572	Fire-capped Tit	Cephalopyrus flammiceps		Recorded at least once along checkpoint road
573	Yellow-browed Tit	Sylviparus modestus	นกติ๊ดคิ้วเหลือง	?
574	Grey Tit	Parus cinereus	นกติ๊ดใหญ่	Common pines DYK and higher areas of checkpoint road
575	Yellow-cheeked Tit	Parus spilonotus	นกติ๊ดแก้มเหลือง	Regularly recorded DYK and occaisionally along higher parts of checkpoint
576	Sultan Tit	Molanaphara sultanas	นกติ๊ดสุลต่าน	Fairly frequently recorded temple area, especially around temple car park and natuuretrail, also
3/6	Sultan Tit	Melanochlora sultanea	นกเตเตลุลด เน	regular along checkpoint road
577	Chestnut-vented Nuthatch	Sitta nagaensis	นกไต่ไม้ใต้โคนหางสีน้ำต	Fairly common DYK and higher parts of checkpoint road
579	Velvet fronted Nuthatch	Sitta frontalis		Commonest nuthatch, even regularly recorded in the garden
		0:::		Not uncommon DYK, best looked for between checkpoint and DYK sub station in mixed
580	Giant Nuthatch	Sitta magna	นกไต่ไม้ใหญ่	pine/thai oak forest
581	Brown-throated Treecreeper	Certhia manipurensis	นกเปลือกไม้	Few records from DYK
		-		Common, small groups often recorded in garden, along roadside and temple feeding on
583	Puff-throated Babbler	Pellorneum ruficeps	นกจาบดินอกลาย	ground confiding
586	Buff-breasted Babbler	Pellorneum tickelli	นกกินแมลงป่าอกสีน้ำตาผ	temple stens
596	Large Scimitar Babbler	Pomatorhinus hypoleucos	 บกระวังไพรปากยาา	Occaisional records DYK
	0			Pairs not uncommon DYK, firebreak trail excellent area
	White-browed Scimitar Babb			Not uncommon DYK and forest around temple and checkpoint road
		Pomatorhinus ochraceicep		Handful of records DYK and checkpoint road
	Streaked Wren Babbler		นกระวง เพร <u>บ เกแตงยาร</u> นกจู๋เต้นหางสั้น	Pair usually present on limestone along temple steps, also regular naturetrail and gully
		Napothera epilepidota	นกจูเตนทางผน นกจูเต้นคิ้วยาว	Recorded gully, naturetrail and damper areas DYK
003	Lyebiowed Wieli Dabbiel	ιναρυπιστα σμποριάσια	นแล้ะผสมาก เา	<b>V</b> /·
606	Pygmy Wren Babbler	Pnoepyga pusilla	นกจู๋เต้นจิ๋ว	Records from damp gullys DYK and especailly lower down around temple along gully and
	-	1 7 7 7	•	naturetrail

607	Deignan's Babbler	Stachyridopsis rodolphei	นกกินแมลงเด็กแนน	Taxon uncertain probably best looked ofr DYK, more research needed
608	Rufous-fronted Babbler	Stachyridopsis rufifrons		Fairly common, small flock often in grass along road to temple, associates with Rufescent Prinia
609	Golden Babbler	Stachyridopsis chrysaea		Small numbers reported DYK, probably commoner higher areas of mountain
	Grey-throated Babbler	Stachyris nigriceps		Small numbers regular temple , DYK etc
	Spot-necked Babbler	Stachyris striolata		Recorded at least once DYK
	•	Macronus gularis		Very common especially around temple
	Chestnut-capped Babbler	Timalia pileata		Odd records from overgrown fields in area
	• •	Chrysomma sinense		Small flocks occaisonally recorded from grassy fields in area
	White-crested Laughingthrus		นกกะรางหัวหงอก	Uncommon, recorded temple and track upto DYK
	Lesser Necklaced Laughingt			Often noted around temple, frequently in mixed flock with next species
	Greater Necklaced Laughing			Regular flocks noted around temple, also recorded along checkpoint road and DYK
	White-necked Laughingthrus	,	นกกะรางอกสีน้ำตาลไหม่	
	Black-throated Laughingthru			Regular around temple, also noted checkpoint road and DYK
	Spot-breasted Laughingthrus	•		Recorded at least once from summit trail from DYK
	White-browed Laughingthrus		v	A few records from summit trail leading from DYK
	Chestnut-crowned Laughing			Odd records from higher parts of mountain
		Pseudominla castaneceps		A few records from higher altitudes
		Alcippe poioicephala		Common around temple and lower altitude forest
		Alcippe fratercula		Common DYK and higher
	Striated Yuhina	Staphida castaniceps		Often recorded temple, DYK and checkpoint road, usually in single species flocks
		Erpornis zantholeuca	_	
	White-bellied Erpornis Chestnut-fronted Shrike Bab	•	V	Fairly frequent in mixed feeding flocks temple, DYK and checkpoint road
	Black-eared Shrike Babbler			Smalls numbers reported fairly regularly DYK
				Rare DYK/higher parts of summit trail
	White-browed Shrike Babble			Common DYK and higher parts of checkpoint road
	Blue-winged Minla	Siva cyanouroptera		Regularly recorded DYK
		Chrysominla strigula	นกศิวะหางสีตาล	?
647	Silver-eared Mesia	Leiothrix argentauris		Small numbers regularly recorded DYK
648	Collared Babbler	Gampsorhynchus torquatu	11711 (16) 111 (16) 1717 191 1 1	Regularly recorded around temple especially gully and naturetrail (formerly known as white-hooded babbler)
649	Spectacled Barwing	Actinodura ramsayi	นกปีกลายตาขาว	A few records from higher parts of mountain, probably under recorded
650	Rufous-backed Sibia	Leioptila annectans	นกหางรำหลังแดง	Very few records all from DYK, probably under recorded at higher altitudes
651	Dark-backed Sibia	Malacias melanoleucus	นกหางรำดำ	All records from DYK or higher, uncommon but probably under recorded
652	Long-tailed Sibia	Heterophasia picaoides	นกหางรำหางยาว	Very few records DYK and at least once from temple
655	Black-throated Parrotbill	Paradoxornis nipalensis	นกปากนกแก้วหูเทา	Scarce one or two records from bamboo DYK
657	Black-browed Parrotbill	Paradoxornis atrosupercilia	นกปากนกแก้วคิ้วดำ	Very few records, reported once or twice DYK
658	Grey-headed Parrotbill	Paradoxornis gularis	นกปากนกแก้วหัวเทา	Regularly recorded DYK, often in large flocks
	Grey-crowned Warbler	Seicercus tephrocephalus		Common in grass and scrub around temple, calls with a double cricket type call
	Omei Spectacled Warbler	Seicercus omeiensis	-	Fairly common, usually found in mixed feeding flocks in forest, call with a chip
	Bianchi's Warbler	Seicercus valentini		Regularly noted DYK, calls with a tuee
		Seicercus castaniceps		Odd records from higher parts of mountain
		Abroscopus superciliaris		Common in bamboo
665		Abroscopus albogularis		One record from summit trail
	Buff-throated Warbler	Phylloscopus subaffinis	นกกระจิ๊ดท้องสีน้ำตาล	Uncommon but recorded regularly DYK, pines around campsite best areas
		, , , , , , , , , , , , , , , , , , , ,		, , , , , , , , , , , , , , , , , , ,

667	Dusky Warbler	Phylloscopus fuscatus	นกกระจิ๊ดสีคล้ำ	Common rice paddies
	·	Phylloscopus armandii	นกกระจิ๊ดอกลายเหลือง	Uncommon, apparently regular along roadside to temple
		Phylloscopus schwarzi	นกกระจิ๊ดปากหนา	Fairly common, best looked for in grass and scrub along roadside to temple and checkpoint
670	Pale-legged Leaf Warbler	Phylloscopus tenellipes	นกกระจิ๊ดขาสีเนื้อ	Scarce, most records from around temple
	Arctic Warbler	Phylloscopus borealis	นกกระจิ๊ดขั้วโลกเหนือ	Passage migrant most records Sept/Oct
672	Greenish Warbler	Phylloscopus trochiloides	นกกระจิ๊ดเขียวคล้ำ	Two-barred Warbler common in area, Greenish more frequently recorded DYK but also temple
673	Greenish Warbler	Phylloscopus trochiloides	นกกระจิ๊ดเขียวปีกสอง แถบ	Two-barred Warbler common in area, Greenish more frequently recorded DYK but also temple
674	Eastern Crowned Warbler	Phylloscopus coronatus	นกกระจิ๊ดหัวมงกุฎ	Migrant, most records Sept/Oct
675	Blyth's Leaf Warbler	Phylloscopus reguloides	นกกระจิ๊ดหางขาวใหญ่	Common winter visitor, often part of mixed feeding flocks, behaves like a nuthatch or black and white warbler
676	Davison's Leaf-Warbler	Phylloscopus davisoni	นกกระจิ๊ดหางขาวเล็ก	Common DYK
677	Yellow-vented Warbler	Phylloscopus cantator	นกกระจิ๊ดคิ้วดำท้องขาว	At least one record, from summit trail
678	Sulphur-breasted Warbler	Phylloscopus ricketti	นกกระจิ๊ดคิ้วดำท้องเหลือ	Scarce winter visitor, records from DYK and around temple
679	Yellow-browed Warbler	Phylloscopus inornatus	นกกระจิ๊ดธรรมดา	Common
679	Hume's Leaf Warbler	Phylloscopus humei	นกกระจิ๊ดพันธุ์หิมาลัย	Odd records from DYK or higher
680	Pallas's Leaf Warbler	Phylloscopus proregulus	นกกระจิ๊ดตะโพกเหลืองคิ๋	Odd records DYK
682	Orange-barred Leaf Warbler	Phylloscopus pulcher	นกกระจิ๊ดแถบปีกสีสัม	Odd records DYK
683	Thick-billed Warbler	Phragmaticola aedon	นกพงปากหนา	Regularly recorded, best looked for in grass and scrub between Malee's and temple
686	Black-browed Reed Warbler	Acrocephalus bistrigiceps	นกพงคิ้วดำ	One record from pond at DYK
689	Pallas's Grasshopper Warble	Locustella certhiola	นกพงตั๊กแตนท้ายทอยสีเ	Slightly more records than previous species rice paddies
690	Lanceolated Warbler	Locustella lanceolata	นกพงตั๊กแตนอกลาย	Odd records from rice paddies
693	Zitting Cisticola	Cisticola juncidis	นกยอดข้าวหางแพนลาย	Common rice paddies
695	Grey-breasted Prinia	Prinia hodgsonii	นกกระจิบหญ้าอกเทา	Usually small flock in grass between temple and Malee's
696	Rufescent Prinia	Prinia rufescens	นกกระจิบหญ้าสีข้างแดง	Common grass and scrub forest edge and undergrowth DYK
697	Yellow-bellied Prinia	Prinia flaviventris	นกกระจิบหญ้าท้องเหลือ	?
698	Plain Prinia	Prinia inornata	นกกระจิบหญ้าสีเรียบ	Common rice paddies
700	Hill Prinia	Prinia superciliaris	นกกระจิบหญ้าคิ้วขาว	Fairly common DYK and higher parts of checkpoint road
701	Common Tailorbird	Orthotomus sutorius	นกกระจิบธรรมดา	Common
702	Dark-necked Tailorbird	Orthotomus atrogularis	นกกระจิบคอดำ	Common
705	Mountain Tailorbird	Orthotomus cucullatus	นกกระจิบภูเขา	Odd records from DYK or higher
706	Grey-bellied Tesia	Tesia cyaniventer	นกจุนจู๋ท้องเทา	Status uncertain, handful of records from temple gully
707	Slaty-bellied Tesia	Tesia olivea	นกจุ้นจู๋ท้องเทาดำ	Odd records gully trail and higher aeas of mountain
708	Chestnut-headed Tesia	Tesia castaneocoronata	นกจุ๋นจฺ๋หัวสีตาล	All records from higher parts of mountain
709	Asian Stubtail	Urosphena squameiceps	นกกระจ้อยหัวลาย	Regularly recorded, best areas naturetrail and temple gully
710	Pale-footed Bush Warbler	Cettia pallidipes	นกกระจ้อยสีไพล	?
711	Manchurian Bush Warbler	Cettia canturians	นกกระจ้อยนักร้อง	?
713	Sunda Bush Warbler	Cettia vulcania	นกกระจ้อยเหลืองไพล	?
714	Baikal Bush Warbler	Bradypterus davidi	นกกระจ้อยอกเทา	?
715		Bradypterus tacsanowskius	นกกระจ้อยพันธุ์จีน	?
		Bradypterus luteoventris	นกกระจ้อยสีน้ำตาล	At least one record DYK
717	Russet Bush Warbler	Bradypterus mandelli	นกกระจ้อยเขาสูง	Odd records DYK

718	Lesser Shortwing	Brachypteryx leucophrys	นกปีกสั้นเล็ก	Odd records from gully trail and higher parts of mountain
	Ţ.	,, , , , ,	· . v	Recorded in gullys around temple and higher areas of mountain
	<u> </u>	*, *		One record from gully behind monks workshop at temple
				Common but secretive winter visitor, best looked for dawn/dusk along edges of weedy fields
722	Siberian Rubythroat	Luscinia calliope	11816131/1111/111	and scruby areas.
724	Bluethroat	Luscinia svecica		Winter visitor, best area rice paddies
726	Siberian Blue Robin	Luscinia cyane		Common winter visitor, best looked for along naturetrail and gully trail
		-		Small numbers most winter DYK
729			นกกางเขนบ้าน	Common
		Copsychus malabaricus	นกกางเขนดง	Common, around temple and other areas of bamboo, often in garden
732	White-tailed Robin	Myiomela leucura	นกเขนสีฟ้าหางขาว	Recorded temple gully and naturetrail, uncommon
734	White-bellied Redstart	Hodgsonius phaenicuroide	นกเขนแปลง	All records from summit trails espiecally in area of bamboo, perhaps not uncommon
735	Blue-fronted Redstart	Phoenicurus frontalis		Rare winter visitor to DYK or higher
736	Daurian Redstart	Phoenicurus auroreus	นกเขนท้องแดง	Occaisional winter records DYK
737	Plumbeous Redstart	Rhyacornis fuliginosus	นกเขนเทาหางแดง	Like previous species odd records from stream at hot springs
738	River Chat	Chaimarrornis leucocephal	นกเขนหัวขาวท้ายแดง	Odd records from stream at hot springs
740	Black-backed Forktail	Enicurus immaculatus	นกกางเขนน้ำหลังดำ	The rarest of the forktails with just a handful of of confirmed records
741	Slaty-backed Forktail	Enicurus schistaceus	นกกางเขนน้ำหลังเทา	Pair usually present on gully stream and checkpoint road
742	White-crowned Forktail	Enicurus leschenaulti	นกกางเขนน้ำหัวขาว	Commonest of the forktails, pairs usually present gully, checkpoint stream and stream
742	Wille-Clowned Forkiali	Efficulus lescrienaulu	นกกางเบนนาทาบาา	alongside track up to DYK
744	Green Cochoa	Cochoa viridis	นกปีกแพรสีเขียว	One or two records from forest around temple
745	Eastern Stonechat	Saxicola maurus	นกยอดหญ้าหัวดำ	Common rice paddies and other fields in area
746	Pied Bushchat	Saxicola caprata	นกยอดหญ้าสีดำ, นกขึ้หม	Common rice paddies and other fields in area
	,			Common DYK and higher parts of checkpoint road, occaisional lower down
750	Chestnut-bellied Rock Thrus	Monticola rufiventris	นกกระเบื้องท้องแดง	Not uncommon in pines DYK, also recorded from higher altitudes along checkpoint road
751	Blue Rock Thrush			Fairly common winter vistor, regualr on bungalow roofs and building around temple
752	Blue Whistling Thrush	Myophonus caeruleus	นกเอี้ยงถ้ำ	Fairly common, best looked for on track up to DYK shortly after dawn
754	Orange-headed Thrush	Zoothera citrina	นกเดินดงหัวสีส้ม	Ocaaisional records from gully trail and naturetrail
755	Siberian Thrush	Zoothera sibirica	นกเดินดงสีเทาดำ	Passage migrant several records from DYK
757	Scaly Thrush		นกเดินดงลายเสือ	Uncommon, best looked for along firebreak trail DYK
757	White's Thrush		นกเดินดงลายเสือใหญ่	?
				A handful of records from gully trail and checkpoint gully
				Recorded once or twice DYK
	, 0			One or two records DYK during cold season
				Odd records from DYK
		Turdus rubrocanus		Odd records from DYK
	,		v	Odd records from DKY
	Eyebrowed Thrush		นกเดินดงสีคล้ำ	Winter visitor, records from DYK and temple, often in fruiting trees
	Dusky Thrush		117	One record from firebreak trail DYK
		•	**	Passage migrant with several records from forest around temple
	•	Muscicapa dauurica	นกจับแมลงสีน้ำตาล	Uncommon with records from temple and checkpoint road
	,			Common winter visitor
	Rufous-gorgeted Flycatcher	-		Scarce winter visitor DYK
777	Mugimaki Flycatcher	Ficedula mugimaki	นกจับแมลงดำอกสีส้ม	Recorded at least once in garden during winter

778	Yellow-rumped Flycatcher	Ficedula zanthopygia	นกจับแมลงตะโพกเหลือ	Uncommon passage migrant
		Ficedula monileger	นกจับแมลงสร้อยคอขาว	
	Little Pied Flycatcher	Ficedula westermanni	นกจับแมลงเล็กขาวดำ	Fairly common DYK and higher altitudes along checkpoint road
		Ficedula hyperythra		Odd records from higher altitudes
	·	Ficedula hodgsonii	นกจับแมลงหลังสีเทา	Fairly common winter visitor in pines DYK
	Ultramarine Flycatcher	Ficedula superciliaris	นกจับแมลงสีคราม	Scarce, recorded at least once DYK
	Slaty-blue Flycatcher	Ficedula tricolor		Occaisional records DYK
	Sapphire Flycatcher	Ficedula sapphira	นกจับแมลงหัวสีฟ้า	Scarce visitor, all records DYK
	• • •	Muscicapella hodgsoni	นกจับแมลงสีฟ้าจิ๋ว	Rare, one or two records DYK
	Grey-headed Flycatcher	Culicicapa ceylonensis	นกจับแมลงหัวเทา	Very common
	·	Cyanoptila cyanomelana		Rare passage migrant
	Large Niltava	Niltava grandis	นกนิลตวาใหญ่	Uncommon higher areas of mountain
	Small Niltava	Niltava macgrigoriae	นกนิลตวาเล็ก	Uncommon higher altitudes
795	Rufous-bellied Niltava	Niltava sundara	นกนิลตวาท้องสีส้มคอดำ	Regularly recorded DYK
796	Vivid Niltava	Niltava vivida	นกนิลตวาท้องสีส้ม	?
797	Verditer Flycatcher	Eumyias thalassinus	นกจับแมลงสีฟ้า	Fairly common temple, DYK and checkpoint road
798	Pale Blue Flycatcher	Cyornis unicolor	นกจับแมลงสีฟ้าอ่อน	Uncommon, with records DYK and temple
800	Hainan Blue Flycatcher	Cyornis hainanus	นกจับแมลงอกสีฟ้า	Uncommon, records from checkpoint road and naturetrail
801	Blue-throated Flycatcher	Cyornis rubeculoides	นกจับแมลงคอสีน้ำเงินเข	Uncommon
801	Chinese Blue Flycatcher	Cyornis glaucicomans	นกจับแมลงพันธุ์จีน	?
802	Hill Blue Flycatcher	Cyornis banyumas	นกจับแมลงคอน้ำตาลแด	Commonest of blue and orange Flycatchers, common around temple
803	Tickell's Blue Flycatcher	Cyornis tickelliae	นกจับแมลงอกสัมท้องขา	
804	Yellow-bellied Fantail	Rhipidura hypoxantha	นกอีแพรดท้องเหลือง	Scarce, with all records DYK or higher
805	White-throated Fantail	Rhipidura albicollis	นกอีแพรดคอขาว	Commonest fantail, regular temple, DYK and checkpoint road
809	Black-naped Monarch	Hypothymis azurea	นกจับแมลงจุกดำ	Common, ofetn in mixed species flocks
813	Asian Paradise-flycatcher	Terpsiphone paradisi	นกแซวสวรรค์	Common, but scarce Dec-Feb when most birds leave area
815	Brown Shrike	Lanius cristatus	นกอีเสือสีน้ำตาล	Common winter visitor
816	Tiger Shrike	Lanius tigrinus	นกอีเสือลายเสือ	Passage migrant, odd records during September
817	Burmese Shrike	Lanius collurioides	นกอีเสือหลังแดง	Winter visitor, commonest DYK, especially Feb/March
818	Grey-backed Shrike	Lanius tephronotus	นกอีเสือหลังเทา	Small numbers winter, easy to see around temple and DYK
	Long-tailed Shrike	Lanius schach	นกอีเสื้อหัวดำ	Resident rice paddies
	,	Artamus fuscus	นกแอ่นพง	Common on roadside wires Chiang Dao
		Lamprotornis spilopterus	นกกิ้งโครงปีกลายจุด	One record in garden at Malee's
	•	Sturnia malabarica	นกกิ้งโครงแกลบหัวเทา	Small flocks fairly common, best looked for in scrub around forest edge and rice paddies
		Gracupica contra	นกเอี้ยงด่าง	Occaisional records from Chiang Dao
		Gracupica nigricollis	นกกิ้งโครงคอดำ	Common rice paddies
	Common Myna	Acridotheres tristis	นกเอี้ยงสาริกา	Common village and town
	White-vented Myna	Acridotheres grandis	นกเอี้ยงหงอน	Common village and town
	,	Ampeliceps coronatus	นกเอี้ยงหัวสีทอง	At least two records from temple and along checkpoint road, both times in flowering trees
	Hill Myna	Gracula religiosa	นกขุนทอง	Very few records, most from checkpoint road
	Ruby-cheeked Sunbird	Chalcoparia singalensis	นกกินปลีแก้มสีทับทิม	Fairly common temple, checkpoint road, less so DYK
	Purple-naped Sunbird	Hypogramma hypogrammi		
	Olive-backed Sunbird	Cinnyris jugularis	นกกินปลือกเหลือง	Very common
845	Purple Sunbird	Cinnyris asiatica	นกกินปลีดำม่วง	Common temple and garden

846 Gould's SunbirdAethopyga gouldiaeนกกินปลีหางยาวคอสีฟ้าNot uncommon winter visitor to Dyk and higher alititiudes848 Black-throated SunbirdAethopyga saturataนกกินปลีหางยาวคอดำCommonest of Long-tailed sunbirds, with records from temple, Dyk and even garden849 Crimson SunbirdAethopyga siparajaนกกินปลีคอแดงMost records from temple and garden, uncommon852 Little SpiderhunterArachnothera longirostraนกปลีกลัวยเล็กCommon garden, temple and DYK858 Streaked SpiderhunterArachnothera magnaนกปลีกลัวยลายCommon temple, DYK and checkpoint road862 Thick-billed FlowerpeckerDicaeum agileนกกาฝากปากหนาCommon863 Yellow-vented FlowerpeckerDicaeum chrysorrheumนกกาฝากกันเหลืองInfrequently recorded temple, garden and DYK, probably not uncommon
849 Crimson SunbirdAethopyga siparajaนกกินปลีคอแดงMost records from temple and garden, uncommon852 Little SpiderhunterArachnothera longirostraนกปลีกลัวยเล็กCommon garden, temple and DYK858 Streaked SpiderhunterArachnothera magnaนกปลีกลัวยลายCommon temple, DYK and checkpoint road862 Thick-billed FlowerpeckerDicaeum agileนกกาฝากปากหนาCommon
852Little SpiderhunterArachnothera longirostraนกปลีกลัวยเล็กCommon garden, temple and DYK858Streaked SpiderhunterArachnothera magnaนกปลีกลัวยลายCommon temple, DYK and checkpoint road862Thick-billed FlowerpeckerDicaeum agileนกกาฝากหนาCommon
858Streaked SpiderhunterArachnothera magnaนกปลีกลัวยลายCommon temple, DYK and checkpoint road862Thick-billed FlowerpeckerDicaeum agileนกกาฝากหนาCommon
862 Thick-billed Flowerpecker Dicaeum agile นกกาฝากปากหนา Common
863 Yellow-vented Flowerpecker <i>Dicaeum chrysorrheum</i> นกกาฝากกันเหลือง Infrequently recorded temple, garden and DYK, probably not uncommon
866 Plain Flowerpecker Dicaeum concolor นกกาฝากสีเรียบ Common along checkpoint road and drier forests
867 Scarlet-backed Flowerpecke <i>Dicaeum cruentatum</i> นกสีชมพูสวน Very common
868 Fire-breasted Flowerpecker   Dicaeum ignipectum นกกาฝากอกเพลิง   Fairly common at higher altitudes
869 Chestnut-flanked White-eye Zosterops erythropleurus   นกแว่นตาขาวข้างแดง   Fairly common DYK
870 Japanese White-eye Zosterops japonicus นกแว่นตาขาวหลังเขียว Probably commonest of whiteyes often big flocks DYK
871 Oriental White-eye Zosterops palpebrosus นกแว่นตาขาวสีทอง Fairly common around garden and temple
873 Eurasian Tree Sparrow Passer montanus นกกระจอกบ้าน Common village and twon
874 Plain-backed Sparrow Passer flaveolus นกกระจอกตาล Small numbers usually present rice paddies
875 Russet Sparrow Passer rutilans นกกระจอกป่าท้องเหลือง Single record from DYK
877 Baya Weaver Ploceus philippinus นกกระจาบธรรมดา Handful of records from rice paddies
881 Pin-tailed Parrotfinch
Trom pools along guily
883 White-rumped Munia Lonchura striata นกกระติ๊ดตะโพกขาว Common
885   Scaly-breasted Munia   Lonchura punctulata   นกกระติ๊ดขึ้หมู   Common
